

Central Hove Ward Update – June 2026

Hello, all Central Hove residents,

This is your monthly ward update by PCSO Maida and PCSO Ford.

Officers have been patrolling in and around Central Hove throughout the month, carrying out high-visibility foot patrols, engaging with shopkeepers, residents, and schools. We are in the area as much as we can be, but when we can't be seen we are often patrolling via car or completing work behind the scenes for the ward. If you see us around, please feel free to stop and have a chat. We are always happy to help 😊

Alternatively, we have a leaflet stand at Hove Library, if there are any leaflets or other information you would like which aren't already at the library please do contact us and we can provide these.

Upcoming Meetings

Please keep an eye on the Sussex Police website for any upcoming meetings. As of yet there are no scheduled meetings but if anyone would like to arrange a meeting, please call 101 and ask for your details to be passed to PCSO Maida 44788 or PCSO Ford 43266 and we will contact you to arrange this at your earliest convenience.
