# FARM BUILDINGS REDUCE THE RISK IN SIX STEPS

1. Store all of your property indoors and keep your doors and windows locked
2. Fit British Standard locks with strong locking bars to doors and windows. If padlocks are used make sure they are robust
3. Upgrade your storage to reflect the value of your property
4. Install sensor controlled 'dusk till dawn' security lights
5. Consider CCTV as additional security for vulnerable areas
6. Consider an audible and monitored intruder alarm system

## Make sure your property is clearly marked

For further advice and information please visit the **crime prevention advice** section of our website:  
[www.gwent.police.uk](http://www.gwent.police.uk)

All property, including vehicles should be photographed and recorded in an asset register. Love it, log it! | [www.immobilise.com](http://www.immobilise.com)
