## **News**

The Closure Order at Cambridge Gardens remains in place until 2359hrs on 07/10/25. Anyone found in breach of this order are liable to be arrested and charged with the offence. As of 11/10/25, 1 person is awaiting trial for breaching the order. Residents and partners have reported that it has largely been a success. We will consider this tactic as an option to tackle future issues where appropriate.

4 warrants were executed on 2<sup>nd</sup> October, targeting people believed to be responsible for drug supply and the exploitation of children in the ward. 3 people were arrested and are on bail for various offences. The investigation is ongoing.

The issue of drug use and supply in Kingston Cemetery is still being tackled in collaboration with Kingston Council and others. In the October half term, Police Cadets will be clearing overgrowth and litter to reduce the available places to hide within the cemetery.

## Street a Week

We continue to conduct the 'street-a week' initiative, by asking our residents to sign up to the Met Engage platform and participating in a survey. If we haven't visited you already, we'll be knocking on your door soon!

Met Engage is our new system of communication which integrates with Neighbourhood Watch. All residents are encouraged to join. Please visit <https://www.metengage.co.uk/> and sign up via the Local Matters Survey so that we can capture the issues that are important to you.

The effort to sign up Norbiton Residents to our Met Engage Platform continues. PCSO Geoffrey Jjingo and PCSO Matthew Beauchamp from Norbiton Safer Neighborhood Team will be signing up Norbiton Households through a doorstep visit. We urge all Norbiton Residents to sign up to the platform so that they don't miss out on the opportunity to know what the Met Police is doing in their area and also inform us about issues that really matter to the

community so that we can take action.
