METROPOLITAN POLICE

Welcome to the Faraday Safer Neighbourhood Team Newsletter

As we head into November, we'd like to share some of the work carried out by the Faraday Safer Neighbourhood Team over the past month. Officers have continued to focus on tackling crime, disrupting anti-social behaviour, and responding to concerns raised by local residents.

Following concerns raised by residents, officers carried out a targeted operation in Burgess Park, supported by a Dispersal Order over the weekend. The operation resulted in **2 arrests**, more than **15 stop and searches**, several drug-related interventions, the seizure of a high-powered electric bike, and the issuance of **4 Community Protection Warnings**. Approximately **100 people** were directed to leave the park under dispersal powers, helping to prevent large unlicensed gatherings and reduce anti-social behaviour. Alongside enforcement activity, officers engaged with vulnerable individuals, providing advice, support and referrals to relevant services. This operation was a positive outcome and forms part of our ongoing commitment to keeping Burgess Park a safe and enjoyable space for everyone.

A successful warrant was executed on Arnside Street, demonstrating the team's continued commitment to acting on community intelligence and tackling criminality within the ward.

Further positive results were achieved around St Peter's Church, where dedicated patrols led to the arrest of a male for exposure, as well as a further arrest for offences relating to a breach of probation requirements.

Officers also made a positive arrest for Possession With Intent to Supply (PWITS), helping to disrupt offenders using bicycles to facilitate criminal activity. In addition, proactive policing activity led to a further drug-related arrest and a swift response to a mobile phone robbery, with Faraday officers being first on scene and assisting in securing an arrest.

And now for some figures...

During the last month, officers conducted **89 stop and searches**, made **33 arrests**, and issued **9 Community Protection Warnings and Notices** to address persistent anti-social behaviour within the ward. These results reflect the proactive efforts of officers across the Metropolitan Police Service, working alongside your local neighbourhood policing team to prevent crime, safeguard vulnerable people and improve the quality of life for Faraday residents.

Ward Priorities

- **ASB in and around The Crypt, Liverpool Grove & Faraday Gardens.**
- **2 Wheeled enabled crime across entire ward.**
- **ASB in and around Burgess Park, Aylesbury, Kinglake & Elizabeth Estate.**

Faraday Ward Panel Meeting – Have Your Say!

Date: Thursday, 28th January 2027
Time: 6:30 PM
Location: The Crypt, St Peters Church, SE17 2HH.

The Faraday Safer Neighbourhood Team welcomes all residents, local groups, and businesses to the upcoming Ward Panel Meeting. This is your chance to:

- Voice concerns and share ideas for improving the area
- Hear updates from your local police team
- Help shape community policing priorities
- Strengthen partnerships across the ward

Your views are vital in helping us keep Faraday safe and thriving. We hope to see you there!

MET ENGAGE

Don't forget to spread the word about **Met Engage** – the Metropolitan Police's new platform designed to strengthen the connection between communities and policing. It's all about working together for a safer, more informed London.

By signing up, you'll be able to:

- Stay updated on local police activity and news
- Share your views and concerns directly with your local team
- Receive invitations to surveys, events and public meetings
- Help shape how we serve your community

Whether its improving safety on your street or strengthening trust in local policing, **your voice matters**.

- Sign up today and be part of the conversation: https://www.metengage.co.uk/

Together, we can make a difference!

Reporting

You can report non-emergency crimes, get safety advice, and find local policing updates on the Metropolitan Police website: www.met.police.uk

Emergency & Non-Emergency
In an emergency: Call 999

For non-emergencies: Call 101 or report online via the Met website
