Dear Residents

Erdington has welcomed a new Sergeant to the team. Sergeant Reeves, has moved from the Kingstanding team. He has worked for West Midlands Police for 19 years, starting as a Special Constable in 2005. Following that, he transferred to Warwickshire and served an additional seven years there. In 2007, he joined West Midlands Police full time and began working as a call handler and front office staff member. Over time, he progressed to the role of dispatcher until 2018 when he became a Police Officer.

Officers have conducted patrols on the High Street with our dog unit looking for drugs and weapons. We have also conducted patrols in plain clothes.

The team now have access to the shops radio which means we can support our local businesses. We are also setting up a local business watch for the High Street. If your interested please email us.

The team in October arrested 4x subjects for Possession with intent to supply drugs enquires are currently on-going.

As nights get darker, we normally see a rise in break-ins. Burglars look for homes that look empty. If you're heading out make sure you lock up and make it look like someone is home. Have a look on our website for tips to keep your home safe. Darker Nights / West Midlands Police

The team will be looking to hold an informal meeting whereby you can meet the team. During this meeting we will listen to your concerns and offer crime prevention advice. Please keep an eye on our Web page/Twitter for further details as we are currently looking for a suitable location to hold these events.

To support your community in Erdington, why not set up a Street watch with your neighbours /friends/colleagues. We are looking for volunteers to help us improve the High Street

As a Street Watch member, you will patrol your local area for at least two hours every month, at times which suit you. You will patrol in a minimum of two members, talk to people you meet and encourage them to take an active interest in keeping your area safe.

If you are interested in joining our community speed watch or starting up a street watch in your local area please get in touch. We need your support to making Erdington feel safer for everyone
