Kidbrooke Village & Sutcliffe Ward

Your Safer Neighbourhood Team targeted patrols around Sutcliffe Park, Pegler Square, Weigall Road and surrounding areas for anti-social behaviour which include drug dealing and drug consumption, shoplifting and VAWG. This is still an ongoing issue that we take very seriously, and we will continue to target over the coming weeks by undertaking proactive high-visibility and plain clothes patrols.

Officers arrested one male for breach of tag and conducted two stop and searches for drugs, multiple proactive interventions for shoplifting and ASB at Pegler Square.

Within the last week officers have in focus Autumn Nights, an initiative to tackle the seasonal increases in criminal offences over the Halloween and Fireworks periods. Violence with Injury, Theft, Robbery and Burglary historically increase during the period around Halloween, Bonfire night and school half term.

- Focus on ASB around peak times such as Halloween and Fireworks Night.
- Be a visible and reassuring presence to the communities during the darker days.
- Protect and safeguard all females on the Ward with regards to VAWG crimes.

The team joined the fun with Kidbrooke Community Hub (GCDA) and created a spooky Halloween display on our main entrance for the Kidbrooke Halloween Hunt.

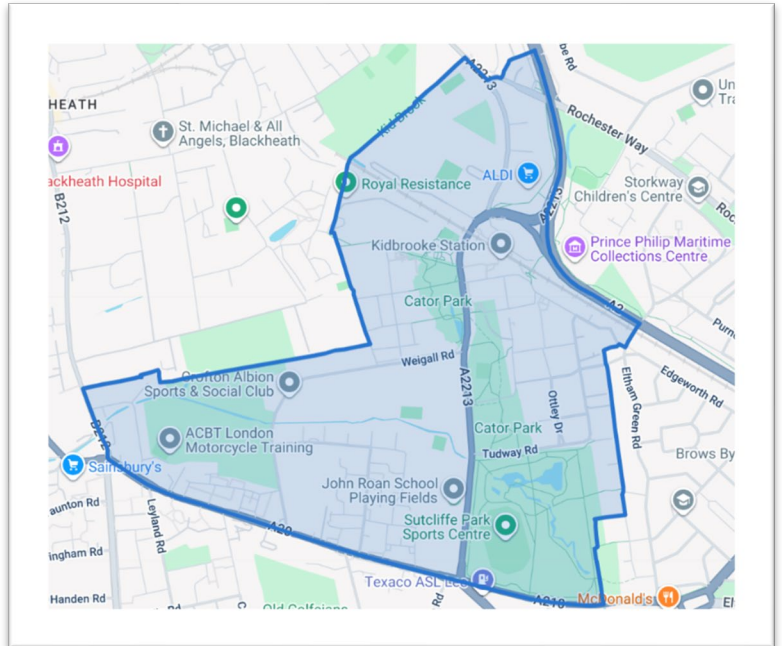

The next Ward Panel will be held on the 20th of November 2025. If you would like to be part of the ward Panel, please email the Team at;
KidbrookeVillage&Sutcliffe.SNT@met.police.uk

We will be conducting **Drop-in Surgeries at Sutcliffe Park Sports Centre on 08/11/2025 at 10:00am** and a **Free Bike Marking Event at Pegler Square SE3 on 22/11/2025 at 15:00**.

This is an opportunity for local community to meet the SNT Team and talk about any issues.

Officers have attended multiple events on the ward and deployed for aid to demonstrations and protests around London, we continue to support neighbouring ward officers with undertaking mental health assessments (MHA's) by assisting the London Ambulance Service (LAS) and mental health teams at Oxleas NHS Foundation Trust to help support vulnerable persons who are in mental health crises.
