NUNEATON & BEDWORTH SAFER NEIGHBOURHOOD TEAMS NEWSLETTER

January 2026 (Edition 10)

We're here to help

Hello, we hope that you find this newsletter helpful. Please take advantage of the information at the end of the newsletter to contact the SNT team for your area. We are here to support you and would welcome your help to identify the appropriate action to help us – to ‘Reduce crime and keep your neighbourhood safe’.

NUNEATON SNT NEWS

Vehicle Seized

The vehicle shown being towed away in the picture was found to have no tax, no insurance or MOT, when PCs Lily Patterson and Ben Rowton spotted it parked up on the A5. It was also identified by police as having been used to transport other vehicles to an industrial estate. It was then seized under Section 165 of the Road Traffic Act. The suspected driver was also found to have been disqualified from driving.

Arrest for Vehicle Theft

In December, Nuneaton East officers conducting high visibility patrols came across the vehicle shown, which was parked on the side of the road. They checked the Police National Computer list and found that it had been Stolen in September. The vehicle was then recovered and one male was arrested and bailed pending further enquiries.

Arrests Following Appeal

Thank you to everyone who supported our appeal in December, for a 29-year-old Nuneaton man wanted for a robbery and other theft-related offences in the town.

He was later spotted in town and despite jumping fences and hiding in gardens, he was quickly tracked and arrested. He was then remanded in custody for further action.

A huge thank you to the residents who assisted us.

NUNEATON SNT NEWS

Action on Nuisance Bikes

In December, Nuneaton East Officers, PC Lily Patterson and PC Ben Rowley were following reports of ASB bikes in the area.

The bike shown in the picture was seized after previously attempting to avoid contact with police. The rider was issued with a Section 59 Warning, and the bike now enjoys much quieter surroundings than it's used to — mainly because it can't go anywhere. We will continue the patrols in future and ideally find fewer motorbikes trying to showcase their escape skills.

**Help us get rid of
NUISANCE
BIKES**

The Police have powers to serve notice on people or bikes that are causing a nuisance and if the bikes are not insured they can be crushed.

Christmas Eve Patrols

Operation Resolve officers were out in Nuneaton town centre making sure that Christmas cheer stayed high and Grinch behaviour stayed low. That included escorting a rather 'Too merry' male out of the town centre for spreading nuisance rather than Christmas cheer. Apart from that the town centre and the market were very busy with lots of 'Christmas spirit' about.

BEDWORTH SNT NEWS

Storm Goretti Caused Problems In January

When Storm Goretti brought heavy snow to parts of Warwickshire, our patrol and roads policing officers worked tirelessly to keep everyone safe. From clearing collisions and fallen trees to helping stranded vehicles, they made sure our roads

stayed open and moving. Bedworth Station even faced its own challenge – a steep gradient that quickly turned into a **slippery slope!** Thankfully, the team dug out and gritted the yard in the early hours of the morning, meaning that our fleet could keep rolling. **A great example of teamwork and proof indeed that many hands really do make light work!**

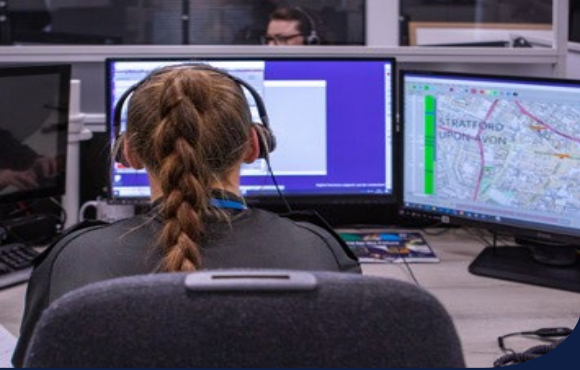

Operation Plenty – Targeting Vulnerable People

In December, Operation Plenty was used for Spreading Festive Cheer in Nuneaton & Bedworth. The Bedworth Safer Neighbourhood Team were out doing visits to those people who may have been alone at Christmas or are vulnerable members of our community. We handed out festive food bags kindly donated by Tesco, Aldi, and Croft Primary School, and called into some supported living homes with mince pies to share a little

seasonal joy. A huge thank you to everyone who contributed to making sure no one felt forgotten this Christmas.

How to report Fraud

If you have been a victim of online scams, identity theft, or any type of fraud, you should report it at **reportfraud.police.uk**. Report Fraud has replaced Action Fraud as the national service for reporting cyber crime and fraud. This new service makes reporting quicker and easier, and ensures your information goes straight to the right team for investigation. Find out what types of fraud you can report and see how the process works on the Report Fraud website.

Don't Drink and Drive

This is what it looks like when we pull you over into one of our drink and drug driving check sites. You will be asked to blow into a tube attached to a breathalyser device, which will tell us if you have any alcohol in your system. Many of the drivers we have stopped so far have passed the breath test,

Thanks to all of you who have been driving safely and legally.

THINK! When did you have your last drink?

Alcohol can stay in your system for well over 12 hours, so you may still be over the limit the next morning.

The chances of being caught are high.
