

Safer Neighbourhood News

Welcome to this month's newsletter.

The clocks don't go back until the end of October but Enfield Police want home owners to be prepared to help reduce the chances of becoming a victim of crime during the dark autumn and winter months. Officers are determined to keep up the pressure on criminals and are encouraging the public to help. Officers will be patrolling burglary hot spot areas identifying houses that could be at risk of burglary, but after the hours of darkness, if no light is on in your home, curtains are not drawn, and no car is on the drive, it's an obvious sign to an opportunist burglar that no-one is in. At this time of the year more than any other it pays to secure your home.
