Happy New Year to all our Residents.

The local priority survey has identified Anti Social Behaviour (ASB) as a major issue of concern to the Residents. It is defined as 'behaviour by a person which causes, or is likely to cause, harassment, alarm or distress to persons not of the same household as the person' (Antisocial Behaviour, Crime and Policing Act 2014)

We classify antisocial behaviour and the many activities that it covers under 3 main headings namely personal ASB where specific individuals or groups are targeted, Nuisance ASB that causes annoyance or suffering to the community, Environmental ASB which affects the wider environment such as public spaces or buildings. ASB can come in many forms, but there are 13 different types namely: abandoned vehicles, vehicle nuisance or inappropriate use, rowdy or inconsiderate behaviour, rowdy or nuisance neighbors, littering or drug paraphernalia, animal problems, trespassing, nuisance calls, street drinking, activity related to sex working, nuisance noise, misuse of fireworks and begging which includes anyone asking for charitable donations in public spaces without license.

We may help if you are experiencing any of the above issues.

Closure orders have done a great deal to reduce Nuisance and 7 h[da` _ WfS^ASB on Cambridge Gardens. Work to achieve closure orders in a number of blocks with many empty properties on Cambridge Road Estates is in progress. We call upon the Residents on these blocks to assist the process by volunteering to provide statements that will support the applications.
