## Your Local Team

SGT Hall was invited to join an event held by the Polish community in Evington Ward. It was great to see so many individuals from local communities come together to celebrate. We were joined by our colleagues from the ARV, this was well received, showcasing a different side of Policing.

If you are based around the Evington and Coleman ward of East Leicester and wish for us to attend events hosted around the local communities, let us know via a seamless online report by clicking [HERE](#).

## News

### Beat Patrols

PC Barber and PCSO Madu have crewed up for engagement and high-visibility patrols in Evington Ward. We're addressing the rise in anti-social behaviour as part of Operation Groove during the summer.

### Warrant

Acting on valuable intelligence, a drugs warrant was executed at an address on the Rowlatts Hill Estate with assistance from Coleman Ward's PC Wicks. These activities not only disrupt criminal activity but also send a clear message that we will not tolerate drugs in our community.

### Rowlatts Hill

Further work within Rowlatts Hill estate took place when PC McCahill liaised with the local Housing Officer. They visited various locations throughout the estate, including specific addresses where they engaged with residents about important tenancy issues and addressed concerns regarding anti-social behaviour. Our goal is to ensure that Rowlatts Hill Estate remains a safe and welcoming community for all residents.
