#YouSaid - What matters to you

INCREASED POLICE PRESENCE -

The Belgrave Neighbourhood Policing Team engaging with a wide range of residents and families across the area.

**WE ARE COMMITTED TO
BEING VISIBLE, ACCESSIBLE,
AND RESPONSIVE.**

YOU SAID IT — WE'RE ACTING ON IT.

Belgrave Neighbourhood Officers recently carried out a joint patrol alongside Leicester City Council Wardens and Housing Officers, tackling issues that have been raised by our community.

As part of the operation, multiple vehicles were identified and seized due to concerns around abandonment and road safety.

By working together with our partner agencies, we are continuing to address local concerns, improve the environment, and help keep our neighbourhoods safe for everyone.

COMMUNITY ENGAGEMENT

Officers attending the local knitting group, where they met with residents over a cup of tea and some excellent knitting projects.

The session provided a great opportunity to chat about local issues, offer crime prevention advice, and build stronger connections with members of the community.

#WeDid - What we are doing

POSITIVE ACTION

YOU SAID WE DID! 📞 While out on patrol, Police Community Support Officers 6568 & 6196 received reports from members of the public regarding concerns.

Following enquiries and patrols of the area, officers located and seized a large quantity of nitrous oxide canisters that had been abandoned within the community unused.

COMMUNITY ENGAGEMENT

The Belgrave Neighbourhood Beat Team was delighted to join members of the community for the Navratri celebrations. 🌸 It was a fantastic opportunity to speak with residents, learn about the rich traditions of the festival, and take part in the vibrant festivities. 🥰 🎉
