Priorities and what we have done #yousaidwedid

Priority: Local Police are aiming to reduce burglaries around the Loughborough East beat.

Action taken: There has been a slight rise in residential and commercial burglaries towards the end of 2024.

The beat team will be looking to reduce these with the use of high visibility patrols in targeted areas. We will look to liaise with the community in those affected areas to provide crime prevention advice and discuss security measures.

Update: Since the beat team have had burglaries as a priority, work has been undertaken to show a presence in the areas affected by these offences. This work will continue and work will be done to reduce the burglary offences committed in the area, dealing with those involved robustly.

Priority: Police aim to tackle different elements of vehicles crime such as theft, TWOC and ASB caused by vehicles.

Action taken: Police aim to tackle vehicle crime by the use of dedicated patrols, both overt and covert in effort to reduce crime use of ASB with vehicles, disruption tactics on a wider scale using specialist officers.

Theft and associated offences will be targeted by pursuing reasonable lines of enquiry to assist identify and prosecute offenders in a timely manner. There have been 2x arrests made this month relating to Theft of Motor vehicles - the investigations continue.

Community engagement continues within the Beat and a specific Police operation is in place to tackle vehicle crime in the area

Dedicated patrols remain ongoing, at times with support from our specialist colleagues (traffic and dog handling) to specifically target the areas of concern around vehicle crime. These will be published on our Facebook page to update the public that these take place.

Update: At the time of writing, the last 28 days has seen a reduction of Theft of Motor Vehicles and slight increase of Theft from Motor Vehicles. This continues to be a priority for the beat team and work will be ongoing to reduce these figures further.

Priority: Police are developing and targeting people within the area that are drug dealing, exploiting vulnerable people by cuckooing addresses and causing anti-social behaviour from this type of crime.

Action taken: Drug dealing and exploitation of vulnerable people remains a priority for the beat team.

We continue to gather intelligence from the community, providing a robust response by executing search warrants and proactively looking to stop those we believe to be dealing drugs, applying any necessary closure orders to stop the criminality and protect the public.

There are currently 7 active Closure Orders relating to addresses linked to vulnerability and County Lines drug dealing. There are others in the pipeline as we are proactively looking to disrupt those drug lines running through the community through such measures as Closure Orders and warrants.

Officers have been focusing attention on the Steeple Row area of Loughborough in relation to drug taking/dealing and street drinking. There have been a number of people detained, stop checked and arrested by officers in relation to drug possession and other linked offences. Investigations are ongoing and this will continue to be monitored. Officers will be updating the public on the work ongoing in that area. A Problem Management Plan has been implemented for that area and the beat team continue to patrol, with continued support from our specialist colleagues.

Update: April has seen the beat team continue to conduct work to disrupt county lines, working on future closure orders for other addresses and visiting those for compliance checks that already have closure orders in place. The beat team continue to work hard to manage any current threats and identify any developing threats.

On **Thursday 3rd April**, Inspector Dickens, PC 702 and PCSO 6185 attended a connecting communities event at Limehurst Academy along with other local organisations and services. We had the pleasure of speaking with a number of students, parents and carers, offering crime prevention advice and learning about different support networks within the area.

On **Saturday 5th April**, PC 702 and PCSO 6185 added signs around the All Saints Church, Steeple Row area as part of our continued efforts to tackle anti-social behaviour and drug activity. These signs aim to encourage local residents to use Crimestoppers as a way of reporting any suspicious or criminal activity anonymously. This can be done by calling 0800 555 1111.

On **Sunday 13th April**, PC 702 teamed up with Leicester City in the Community at Loughborough University for an unforgettable event, all about supporting refugees and helping them feel at home in our community. Full of energy, positive vibes and talent, the football competition was all about coming together, breaking down barriers and building a brighter, more inclusive future.

Upcoming Beat Surgeries

-  10:00AM-12:00PM Saturday 3rd May 2025
-  SRKC Temple, 16 Alfred Street, LE11 1NG
