What's happening in your area?

Find your local officer, get the latest crime statistics and advice, help us with appeals for information and find out what we're doing to tackle crime in your area.

Your area | Leicestershire Police

Dear reader,

Thank you for taking the time to read my new weekly written update, this will be complimenting the updates already shared on our West Leicester Facebook page.

The team share all the great they do on that page, so if you haven't already, please check it out!

Operation Pedalfast

We have been running Operation Pedalfast.

This is an operation aimed at tackling the illegal use of electric scooters and bikes. These are often linked to other types of offending and ASB.

This operation has been running regularly, the latest of which has been around the Braunstone area.

Our successes are published on Facebook and through our Neighbourhood Link.

Confidence Survey

Our new confidence survey has recently gone live.

This is your opportunity to share whether you have confidence in your local police, voice your concerns and help us identify our local priorities.

You can access our confidence survey by scanning the QR code to the left of this text. Alternatively, if you see one of our neighbourhood officers out on the beat, approach them and they will complete it with you.

You can also use the Your Area section of our force website. This details your local beat team, priorities, upcoming events and contact channels.

Establishment Uplift

It was my pleasure to welcome 3 new PCSO's to the West Leicester team last week. Please welcome them as they integrate with our communities and share any concerns you may have with them.

I thank you for your continued support and look forward to updating you next week with my second written update.

Kind Regards,
Ryan
