

Issue: February 2025

Update

We are delighted to welcome our new neighbourhood police officer, Joe Taylor, to the Coleman beat. During his first day, he patrolled Sparrow Park, ensuring safety and getting to know the local community. If you see him around don't hesitate to say hello.

PC Mistry has moved on to join the Spinney Hills beat team.

PCSO Cook visited Little Mumin's Nursery on Rolleston Street to engage with the younger members of the community and to speak to them about their work and the work of Leicestershire Police. It was a very enjoyable visit with the children enjoying trying on the uniform and asking lots of questions.

PCSO Oleh has been patrolling Gwendolen Road following reports of persons congregating in a carpark causing ASB. Congregating in the car park is causing a nuisance to the residents to whom the car park belongs too.

- Your bike must be fitted with a plate where you can easily read the manufacturer's name, motor power output and battery power.
- Manufacturer: SWIFTY
Battery Power: 26V Lithium
Motor Power: MAX 250 Watts
- Your e-bike must have a max motor output of 250w with a top power-assisted speed of 15.5mph.
- 250 Watts MAX

If your e-bike is found to be illegal it can be seized by Leicestershire Police WITHOUT WARNING.

#InYourCommunity

SGT Hall was the Community Bronze Commander for the recent India vs. Pakistan cricket match. Overseeing the community side of the Policing operation, to ensure a safe and enjoyable event for everyone. He worked alongside Response Teams, Traffic Officers, and other specialist force resources, the teams ensured the celebrations went smoothly, and passed without incident.

PC Taylor took the opportunity to patrol Downing Drive, checking in with the community and local businesses to offer some reassurance. it's always great to connect with everyone and provide that extra support!

#YouSaidWeDid

Local Officers have been hard at work today tackling anti-social behaviour on Ethel Road and Cropthorne Avenue. They also conducted patrols on Downing to ensure local businesses remained safe, alongside burglary prevention patrols and checks in surrounding areas. In addition, they have been proactive in stop-checking multiple vehicles in the area due to concerns over illegal number plates and driving behaviour. Keeping our community safe is our priority! If you see anything suspicious, please report it.

PC Darbar and PC Taylor attended an emergency call regarding a neighbour dispute, where one person was assaulted. Enquiries are ongoing to locate and deal with the suspect.

Good Neighbour Advice - Try to resolve disputes calmly and respectfully. If tensions rise, step away and seek mediation.

PC Wicks and PC Taylor have put in a guest appearance on West Leicester. They supported Neighbourhood Officers in the region for an execution of a warrant. This was another great step towards keeping our communities safe. A special shout out to the Officer who gained entry—an impressive display of force, taking the door clean off its hinges!

PC Makda was abstracted from his usual beat to assist with Public Order duties at the King Power Stadium. Football matches are about passion and excitement, but they also require careful planning and a strong Police presence to keep everyone safe. Officers like PC Makda play a crucial role in ensuring fans can enjoy the game in a secure environment, managing crowds, preventing disorder, and responding to incidents if needed.

PC Makda has been working alongside Leicester City Council Traffic Officers to tackle dangerous parking outside schools on Clumber Road, The Wayne Way and Coleman Lodge. Parking dangerously near schools puts children at risk. Always park safely and considerately. Parents, please avoid blocking driveways, parking on zig-zag lines, or stopping in unsafe spots. Enforcement action will be taken where necessary to keep everyone safe.
