What Matters to You?

Evington Beat Priorities (issued 1<sup>st</sup> January 2026)

- Improve community engagement opportunities with our communities. We find attendance at local community engagements is often low giving us little opportunity to engage with the wider community.
- Regular complaints regarding inconsiderate parking in and around schools during pick up and collection times.
- Licenced premises in the area not adhering to their alcohol license conditions. Having an impact on anti-social behaviour.

North Evington Beat Priorities (issued 1<sup>st</sup> January 2026)

PC Darbar and PC Taylor were out on high-visibility patrols at Leicester General Hospital to keep our community safe.

Later on the same shift, they responded to an incident on the Evington beat for a welfare check on a vulnerable person. We're happy to report the individual was safe and well.

To finish the shift, officers carried out burglary patrols around Evington ward to help protect homes and deter crime.

PCSO Goodey has been out on the Evington and North Evington beats carrying out targeted patrols around key hotspots.

Areas covered included:

**Downing Drive**  
**Welland Vale Road**  
**Davenport Road**  
**Ambassador Road**  
**Green Lane Road**  
**Kitchener Road**  
**Nottingham Road**

These patrols are part of our ongoing work to prevent crime and reassure the community.

PC Taylor from your local neighborhood policing team has been working closely with Midland Heart Housing to address ongoing reports of anti social behavior between neighbours on Rainworth Road.

Thanks to joint problem solving and positive engagement with everyone involved, an Acceptable Behavior Contract (ABC) has now been issued. Both parties have agreed to the conditions set out, helping to restore peace and prevent further issues.

This is a great example of how partnership working and early intervention can make a real difference in our communities.

PC Darbar had an eventful shift on the Evington Ward:

First, he assisted in arresting and transporting a suspect who had threatened to burn his flat down.

Later, a burglary was reported. From blue lights to the scene, the suspect was caught at the property and arrested.

As the darker days and nights are here, please remember:

Lock all doors and windows – even when you're at home. Leave a light on or use timers to make your home look occupied. Keep valuables out of sight from windows.
