

## **Benn Ward Environmental Visual Audit (Ward Walk)**

**Monday 23 September, 4pm to 6pm**

**Meet at Benn Partnership Centre, Railway Terrace, Rugby CV21 3HR**

Dear Resident,

Rugby Borough Council has partnered with Warwickshire County Council, Warwickshire Police and other local agencies to host a ward walk in Benn Ward on Monday, 23 September.

Ward walks provide you with the opportunity to speak with your elected councillors, the Police and officers from both councils.

During the walk, you will be able to raise any concerns and discuss ideas to improve your neighbourhood. You can also find out what plans the councils and Police have for Benn Ward.

The walk will start and finish at the Benn Partnership Centre, where we will provide maps outlining the routes. You are welcome to come to the centre any time between 4pm and 6pm, with refreshments available.

We look forward to seeing you.
