Oadby Newsletter #yousaidwedid

Issue: October 2025

Your Team:

PCSO 6164 Harks Sanghera
PCSO 6518 Nad Ikram
PC 4555 Ryan Holden

What matters to you:

Priority 1: You told us that you were concerned about burglaries within the Oadby area.

What we are going to do: Officers continue to conduct regular patrols of the areas where offences have occurred, these patrols are reducing the number of burglaries. We will continue to do this going forward. Where CCTV is available, this will provide valuable intelligence on times and when offences are happening and possible vehicles involved, to assist in our patrol strategy.

Priority 2: Road Safety You said: You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

What we are going to do: We have conducted vehicle speed checks at identified locations. Local officers have been targeting motorist's speeding, not wearing seatbelts, using mobile phones and drink/drug driving. Local officers have received reports of identified vehicles being driven without valid insurance, MOT and tax.

Priority 3: Anti-social Behaviour You Said: You have told us that Anti-Social behaviour causes you concern. This can be things like excessive noise, smoking drugs and more. We will be working with partners to ensure we can tackle these issues and reduce their occurrences.

What we are going to do: Your local police beat team and response officers continue to patrol identified locations, as reported by yourselves with regards to anti-social behaviour and drug related incidents. Officers continue to stop check persons and vehicles who are involved in drugs. Local officers have identified vehicles which are related to criminality.

What we have done #yousaidwedid

Schools Engagement Week - Oadby

During October 2025, PCSO Nad and PCSO Harks visited several schools in Oadby as part of our Schools Engagement Week. It was a pleasure engaging with pupils and having meaningful conversations with the dedicated staff. We're always grateful for the warm welcome we receive and look forward to continuing our positive relationships with local schools.

Crime Prevention at Oadby Gurdwara

On Sunday 19th October 2025, PCSO Nad and a Police Volunteer hosted a crime prevention event at Oadby Gurdwara. With the darker nights approaching, we spoke with members of the community about practical ways to keep homes secure. These events are vital in helping reduce opportunities for crime and burglary, and we appreciate the community's engagement and support.

Diwali Celebration with Anand Group

On Wednesday 29th October 2025, PCSO Nad was honoured to attend the Anand Elders Group's annual Diwali celebration at St Paul's Church in Oadby. It was a joy to celebrate with residents and committee members, and to reflect on the achievements of our vibrant community. Events like these strengthen our bonds and highlight the importance of togetherness.

Halloween Patrols

On Friday 31st October 2025 local neighbourhood officers PCSO Cara and Student PCSO Dan conducted Halloween patrols across the policing area on their late shift. This was a great opportunity to connect with all members of our community, including both those participating in trick-or-treating and those who weren't.

They brightened the night with some treats (sweets) for the kids, and ensured residents had trick-or-treat posters to show if they wanted to receive visitors. The posters were handed out over the past week.

A big thank you to all the parents and children who spoke to them!

Darker Nights - Crime Prevention Tips

As the evenings grow darker, it's important to take simple steps to protect your home from opportunistic thieves. We're working hard to keep our communities safe, and you can help by following these quick tips:

- Always lock doors and windows and remove keys from locks.
- Secure gates and fencing to prevent easy access.
- Remove items like bins or garden furniture that could be used to reach windows.
- Store ladders out of sight and ensure sheds, garages, and outbuildings are locked.
