What matters to you

We have listened to you and the concerns you raised and will prioritise the following,

- **Priority 1 - What you have said:**

You have told us that anti-social behaviour (ASB) is a concern in your community, particularly involving the use of quad bikes and groups of rowdy youths gathering in parks and recreational areas.

- **Action taken**

We have received reports of vehicles committing ASB, including car cruising, off-road biking, and misuse of e-scooters. Officers have carried out enforcement under Section 59 of the Police Reform Act and continue to monitor hotspot locations. Work is underway with local councils and landowners to explore longer-term solutions, including signage and environmental measures to deter offending.

- **Priority 2 -**

What you have said:

The community has also stated that theft from motor vehicles are concern at various locations throughout the Charnwood East area.

Action taken

There has been an increase in reports of theft from vehicles across the NL61 area. Officers are conducting targeted patrols in hotspot locations and sharing crime prevention advice with residents. Investigations are ongoing to identify offenders, and intelligence is being gathered to support enforcement activity.

- **Priority 3 -**

What you have said:

Residential burglaries has been identified as a growing concern within the beat,

Action taken

Reports of residential burglaries have been received in the NL61 area. Officers have increased overnight patrols and are working closely with CID to progress investigations. Crime prevention advice has been circulated to residents, and engagement with Neighbourhood Watch groups continues to help reduce risk and reassure the community.

The Beat Team News

Everyday your local beat team are conducting marked Police car patrols through the villages of Charnwood East. These villages are Syston, Thurmaston, Thrussington, East Goscote, Ratcliffe on the Wreake, Barkby, Barbky Thorpe, Beeby, Rearsby, Hamilton Lea, Queniborough, South Croxton and Thorpebury in the Limes.

Thank you to those who came to our beat engagements this month. Thank you to those for raising their concerns and for all the positive feedback.

On 14/01, PCSO 6024 and 6098 had the opportunity to visit Queniborough C.E. Primary School. The officers spent time speaking with the children about the role of a Police Community Support Officer and how we help keep our communities safe. The pupils also got the chance to see our police car up close and explore some of the uniform and equipment we use every day.

PCSO 6098 conducted her regular beat surgery at East Goscote library, engaging with local residents about their concerns and issues.

Over the past two months, the Charnwood Beat Team, with support from traffic units, has maintained a high-visibility presence at Thurmaston Retail Park in response to concerns around anti-social behaviour. This proactive approach has included regular patrols and, on one occasion, the issuing of a dispersal order to address disruptive activity. We continue to work closely with retail park management and the local authority to develop a sustainable, long-term solution that promotes safety and reassurance for both businesses and visitors to the area.

On 16/01, PCSO 6024 and PCSO 6098 carried out a beat surgery at Thurmaston Retail Park, where we had the opportunity to speak with local residents, listen to concerns, and offer crime-prevention advice.

In addition, PC 1651 has been installing new Anti-Social Behaviour (ASB) signs around the retail park. These signs serve as a visible reminder that ASB will not be tolerated and help reassure residents and businesses that we're working proactively to keep the area safe. They also act as a deterrent to anyone considering engaging in nuisance or disruptive behaviour.

On 15/01, PCSO 6024 held a Beat Surgery in Syston Town Square.

During the surgery, a member of the public reported a vehicle believed to have no valid tax. After the event, PCSO 6024 and PCSO 6185 attended the location, identified the vehicle in question, and confirmed it had NO tax, NO MOT and NO insurance.

The vehicle has since been recovered 🚗

While out on patrol, PCSO 6024 and Sgt Merola observed a male riding an illegal e-bike on a public roadway. They stopped the male and it was confirmed illegal.

The rider was dealt with appropriately at the scene, and the bike was recovered.

Get involved!

Please take this opportunity to raise any concerns you may have and to find out what we are doing to tackle the issues that matter to you.

We urge you to call 999 in an emergency - if you or someone else are in immediate danger, or a crime is in progress.

Please take the time to visit the site in order that you can come and share your views, and help to develop the priorities that concern you. This can be done using the QR codes below. <https://survey.neighbourhoodlink.co.uk/Survey/>
