Priority 2: Motor vehicle crime

You Said: you told us that you were concerned about vehicle crime this includes anything from theft of vehicle to theft from vehicle.

Priority 3: Road Safety

You Said: You have told us that road safety is a priority, this includes speeding, dangerous driving, no insurance, no MOT, no tax and more.

#WeDid - What we are doing

As part of our ongoing priorities in Lutterworth, we have been focusing on thefts, vehicle crime, and road safety.

- **Thefts:** We have carried out targeted patrols around local shops and car parks, identifying and dealing with known offenders. We've also engaged with businesses to provide crime prevention advice and strengthen links with shop staff.
- **Vehicle crime:** We have increased evening patrols in hotspot areas, spoken to residents about simple security steps they can take to secure their property.
- **Road safety:** We have conducted speed checks in areas raised by the community and offered visible reassurance patrols around schools at peak times. We continue to work with partners to highlight the dangers of speeding and inconsiderate parking.

Lutterworth Police Beat Team Newsletter

February 2026

Hello everyone, and welcome to this month's update from your **Lutterworth Police Beat Team**. February has been a busy month for local officers, with proactive policing, community engagement, and successful crime prevention work taking place across the area. Here are some of the key highlights:

Community Engagement

Visit to Best Start Nursery – 25 February

On **25th February**, **PCSO 6063** attended *Best Start Nursery* alongside response colleagues **PC 1813** and **PC 4627**.

This visit offered a fantastic opportunity to engage with both staff and nursery children. Officers spoke about the role of the police, answered questions, and helped build trust with some of our youngest community members.

The team thoroughly enjoyed the visit, and we look forward to more events like this in the future.

Local Policing Activity

Vehicle Seized for No Insurance – 17 February

On **17th February**, **PC 4175** stopped a vehicle in Lutterworth after its *manner of driving* raised concern. Upon checks, the vehicle was found to have **no valid insurance**, and it was subsequently **seized** under Section 165 of the Road Traffic Act.

This proactive action helps keep local roads safer for everyone. The driver was reported for the offence.

Stolen Vehicle Recovered – 14 February

On **14th February**, a vigilant local resident reported a suspicious vehicle to **PC 4175**.

The car, found on **Crescent Road**, Lutterworth, was confirmed to be **stolen**. Thanks to the resident's quick thinking and prompt reporting, officers were able to recover the vehicle and begin necessary follow-up enquiries.

Community information is invaluable—thank you for helping us keep Lutterworth safe.

A Big Thank You

We'd like to thank all residents who continue to support the work of local officers by reporting suspicious activity, engaging with us in the community, and helping us maintain a safe environment.

If you ever need to get in touch with the beat team or have ideas for future newsletters, events, or priorities, feel free to reach out.

Darker Nights Campaign:

🏠 Residential burglaries can be deeply upsetting. It can be traumatic to lose valuable and sentimental items from your home and the thought of a stranger invading your property is distressing.

🔒 Protect your home against opportunist burglars by remembering to lock up and light up.

🌙 These darker evenings can provide the perfect cover for burglars who can easily spot an insecure window or door, or valuable left in plain sight.

🔗 Check out our other advice on how to keep your property safe: [Keep burglars out of your property | Leicestershire Police \(leics.police.uk\)](https://www.leics.police.uk)

🚧 Install strong fences and gates and make sure that they are always locked. Consider adding trellis and spiky plants to the fences to make it difficult for burglars to climb over them.

📹 Consider installing external CCTV cameras or video doorbells. Always lock your windows and doors when you are in and out.

💡 Try to make your house look as occupied as possible when you are not there. Use automatic timer switches to turn lamps on and off sporadically.

🔑 Do not leave your house and vehicle keys in the lock or on a side table in view of a window or next to a door. If you wish to obtain a faraday pouch you can visit a police station and ask for a car key pouch.

🔒 Check your UPVC or Euro Cylinder door locks to see if they're snap resistant. It should be stamped with a three-star kite mark. For more information on this please visit the Leicestershire Police Website.

☂️ Do not leave items in open porches that could be used to enter your home such as curved-handled umbrellas. These items could be used as "fishing" implements to use through a letter box or open window.

📰 If you're going away, cancel newspapers and milk. You could also ask a trusted neighbour or friend to keep an eye on your property and take your post inside.

💡 Use external sensor lights on your driveway / rear garden.

🌿 Think about increasing the visibility of the entrances and exits of your home. Consider cutting back and removing large plants and bushes that restrict visibility from the road.
