#WeDid - What we are doing

For much of January, crime figures have been good. Officers have been attending reports of vulnerable people. We have supported local businesses in crime prevention and raising awareness PCSO's as been visiting the stores on Bell Street and Leicester Road . We have responded as and when we receive complaints regarding parking and speeding, dealing with as appropriate, particularly around the schools in Primary Schools in Wigston. We have visited Wigston Academy and spoken with youths that were identified to be displaying anti-social behaviour. This includes home visits, conversations with parents/children and issuing letters. Officers have seized vehicles that were on the road and displayed as not having Tax, MOT and insurance. Please ensure that you are checking that all documentation is in order with your vehicle.
