

#LookCloser

An Introduction to Modern Slavery and Exploitation (for businesses and professionals)

Supported by CrimeStoppers

Covering an introduction to:

- What is modern slavery?
- The signs of exploitation, including sexual, criminal and financial exploitation.
- How to report exploitation concerns.
- What language should you be using?

If you think exploitation could be happening: **Don't wait, get help.**

Call 101 or 999 to speak to the police to tell them that you are concerned about a child's safety.

Follow our QR code to find out what else you could be doing to **protect children** in your business.
