

Safer Neighbourhood News

This is one of our busiest times of the year.

Autumn Nights encompasses Halloween and Bonfire Night where historically we see a rise in anti-social behaviour. The Neighbourhood teams are out on patrol in key areas to combat this.

As the early dark nights draw in, it may be worth investing in plug timers / smart bulbs for your lights to come on before you get home. In the lead up to Christmas when burglaries can increase it is worth reviewing your home security. Please contact your local Neighbourhood Team if you require crime prevention advice.

As winter sets in, please look out for your neighbours especially if they are elderly or vulnerable and if you notice anything suspicious please do not hesitate to call us.

MET ENGAGE

Community crime-fighting

We're transforming the Met to become a service that truly delivers for London's communities, and we need your help.

Through our new platform Met Engage we want the public to get to know their local officers, help shape how we police their local area and have direct access to key information and advice.

This isn't just a platform for us to tell communities what we're doing in their area, it's an opportunity for them to tell us what's concerning them the most so we can take action on the things that truly matter to them. Our service will be tailored to our communities.

Make sure you have signed up, and understand how it can help you.
