PCSO 6518 Nad Ikram
PC 4555 Ryan Holden

What matters to you:

Priority 1: You told us that you were concerned about burglaries within the Oadby area.

What we are going to do: Officers continue to conduct regular patrols of the areas where offences have occurred, these patrols are reducing the number of burglaries. We will continue to do this going forward. Where CCTV is available, this will provide valuable intelligence on times and when offences are happening and possible vehicles involved, to assist in our patrol strategy.

Priority 2: Road Safety You said: You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

What we are going to do: We have conducted vehicle speed checks at identified locations. Local officers have been targeting motorist's speeding, not wearing seatbelts, using mobile phones and drink/drug driving. Local officers have received reports of identified vehicles being driven without valid insurance, MOT and tax.

Priority 3: Anti-social Behaviour You Said: You have told us that Anti-Social behaviour causes you concern. This can be things like excessive noise, smoking drugs and more. We will be working with partners to ensure we can tackle these issues and reduce their occurrences.

What we are going to do: Your local police beat team and response officers have regularly patrolled identified anti-social behaviour locations, as reported by yourselves with regards to anti-social behaviour and drug related incidents. Officers continue to stop check persons and vehicles who are involved in drugs. Local officers have identified vehicles which are related to criminality.

Burglary update

With the arrival of spring, we encourage all residents to take extra precautions to protect their homes. Please remember to lock and secure your windows, especially on warmer days when you might be tempted to leave them open. Local officers and PCSOs continue to increase patrols across Oadby at identified hotspot areas.

Addressing drug and anti-social behaviour

Our team is actively patrolling known drug and anti-social behaviour hotspots. We have successfully identified individuals involved in these activities and have taken appropriate action. We appreciate your continued support in reporting any suspicious behaviour, as it helps us address these issues effectively.

Speed checks in the community

We understand that speeding can be a concern for many residents. Our police volunteers have been active in areas where speeding has been reported as an issue. Recent speed checks have been conducted, and in some cases, drivers were reported for various offences. We encourage everyone to adhere to speed limits for the safety of all our residents.

Ramadan Iftar Event

On Friday 21st March 2025 PCSO Nad and PCSO Harks had the wonderful opportunity to join the South Leicestershire Islamic Community (SLIC) at the Freer Centre in Wigston for a Ramadan Iftar (breaking of the fast) event. It was a heartwarming experience to share in the spirit of community during the blessed month of Ramadan.
