

## Introduction

“A police dedicated neighbourhood team (DNT) is a group of police officers and police community support officers (PCSOs) assigned to a specific local area. Their primary role is to engage with the community, address local issues, and enhance public safety through visible policing and proactive measures.”

(From left to right: PCSO 6517 Gallagher, PC 2238 Simpson, PS 3035 Bell, PC 70 Martindale, PCSO 6500 Walker, PCSO 6178 Russell).

## #YouSaidWeDid - What matters to you

YOU SAID-	WE DID-
1. To increase road safety around Worthington Primary School, increasing safety of children, parents and staff.	Following on from what we did last month, multiple patrols have been completed and no issues have been present. We feel that this a good indication that our efforts have been well received.
2. Op Pedal fast - To target the use of illegal e-bikes and e-scooters.	We have participated in multiple operations to deter and prevent E- scooters and illegal E-bikes from being used on our roads and have seen a clear reduction, (in particular on the Valley Beat).
3. Anti-social behaviour and misuse of drugs around Spitfire Road, Castle Donington	We are continuing to work closely with the housing association who are looking to take action against those responsible.

## **WARNING!** Opportunistic thieves in your area.

We know it's tempting to start your engine and leave your car running while you pop back inside, but doing so comes with serious risks. Not only could your vehicle be stolen in seconds, but leaving it unattended while the engine is running is also an offence under UK law. This could result in a fine and invalidate your insurance if your car is taken.

Stay safe this winter. Stay with your vehicle while it's de-icing. Use proper de-icing tools or sprays. Never leave keys in the ignition unattended.

Protect your car, your insurance, and your peace of mind. Share this to keep others safe!

## Recent hits

### Drug Drivers on Diseworth Road

As part of routine patrols this evening, officers from the [#ValleyBeatTeam](#) came across two badly parked vehicles blocking the crash gate on Diseworth Road.

On speaking with the drivers, there was a rather funky smell coming from one of the vehicles. As a result, officers from our Safer Streets and Response Teams assisted and 3 bags of cannabis were seized.

Further to this, the driver was arrested for being in charge of a motor vehicle whilst under the influence of drugs.

Whilst people continue to engage in illegal activities on Diseworth Road, we will continue to tackle it head on.

## One team!

### Fatal 4 in The Valley .

Officers from the [#ValleyBeatTeam](#) conducted the second of many planned Fatal 4 operations across the beat.

The highest speed recorded yesterday was 43-MPH in a 30-MPH area.

The aim of these operations is to prevent death or injury due to any of the big 4 or other Road Traffic offences.

Put simply, please take a second to consider how you may feel if someone you know, or love were hurt or killed as a result of carelessness (often for only a few seconds advantage).

Please keep an eye out for updates on the next planned operations [#InYourCommunity](#).

## Upcoming Community Engagements, Come Along To Raise Your Concerns.

06/01/25 10:00 – 12:00 Castle Donington Parish Council, Bondgate
