We have listened to your concerns and priorities, which are the following:

Priority 1: Parking concerns

You Said: Parking concerns on Bennion Road during football training sessions. We have received multiple complaints from residents regarding dangerous, inconsiderate, and illegal parking in the vicinity of Bennion Road. These issues appear to be particularly prevalent during football training days and are causing significant disruption and safety concerns within the community.

Our Ac on: Throughout February PCSO 6527 Kurtis attended Bennion Road alongside Civil Enforcement Officers. The team engaged with a number of drivers regarding parking concerns in the area. During the operation, one Penalty Charge Notice was issued for dangerous parking, while the majority of vehicles were found to be parked legally. A multi-agency meeting is currently being planned to explore and agree on long-term solutions to the ongoing parking issues at this location.

Priority 2: Anti-Social Behaviour

You Said: We have received concerns from retailers and security at the Beaumont Leys Shopping Centre that there is still a significant problem with anti-social behaviour caused by youths.

Our Ac on: The Problem Management Plan has been successful so far. The beat team and the Safer Streets Team, have conducted high-visibility patrols of the Beaumont Leys Shopping Centre. Officers engaged positively with a number of local youths and store staff, reinforcing community relationships and promoting a safe and welcoming environment.

Priority 3: Heathley Park

You Said: Residents are concerned over an increase in anti-social behaviour, residential burglaries and theft from motor vehicles in the area of Heathley Park.

Our Ac on: The beat team has continued to carry out regular high-visibility patrols across the area. These proactive efforts are aimed at maintaining community reassurance and deterring criminal activity.

Local News in April

- Every member of our Beat team has carried out a full patrol of Beaumont Shopping Centre
- Kept an eye on the crowds, the shops, and the general Easter-egg-fuelled chaos
- Ensured everyone was safe, smiling, and behaving (mostly)
- PCSO Jaik and PCSO Kurtis responded quickly to an RTC and managed the scene
- Supported those involved and coordinated with other teams
- Helped keep traffic moving and spirits steady
- PC Tony and PC Dan assisted the air ambulance team on a critical incident
- Working together to provide rapid support and ensure safe operations
- After the month we have had on the Beaumont, chocolate is earned
- PC Holly has been completing enquiries and council visits into problem addresses and are still dealing with these
- Wishing everyone a safe, calm, and **Happy Easter** filled with good vibes and even better snacks
