News

Last month we received dozens of calls from across the force area of a large scale car meet. Several calls reported street racing, drifting, dangerous driving and anti-social behaviour. Luckily, intelligence told us they were coming and Special Constables Sarah and Tom cut short their Sunday evening at home to kit up and hit the road. Reports were received in South Wigston, Blaby, Grove Park, Markfield, Wykin and Castle Donnington amongst others. Many vehicles were seized across the whole Operation for their manner of driving under S.59 of the Police Reform Act, and over 100 caught on Dashcams, whom should be expecting something in the post very soon. Roads Policing Officers continued to disrupt the car meets and take action as the large convoy travelled up the county and into Derbyshire who took over the Operation. A huge thank you to those who called in and provided us with information.

PC Aaron and PCSO Calum attended the Glen Parva Gala last month organised by Glen Parva Parish Council. With a great turnout from the local community and plenty of stalls and activities on offer, it was a fantastic opportunity to catch up with residents and discuss any local concerns. Thanks to everyone who took the time to stop and have a chat.

The beat team have continued targeted patrols, both in uniform and plain clothes in locations identified through reports from residents and partner agencies. During patrols near Blaby Golf Centre, a group of young people were engaged with and intelligence was obtained relating to anti-social behaviour and suspected drug activity. Further patrols will continue over the coming weeks, with action taken where offences or persistent ASB are identified.

PCSO Vicki and PCSO Calum started their shift assisting with a road closure on the Blaby Bypass following a road traffic collision. Thankfully, there were no injuries, despite significant damage to the vehicles involved. Cars and hedges can be replaced, people can't.
