February 2026

Hi Harlescott & Sundorne Residents,
Over January 2026, we have been working closely with our partner organisations, including schools, Homes Plus and local councillors as well as hearing the voices of residents, to target problems and issues across the neighbourhood.

This month, we have seen an increase in youth anti-social behaviour (ASB) – if you see anything, please report it to us, via 999, 101, online or Neighbourhood Matters.

Walk Safe

West Mercia Campaign

This month, West Mercia Police have started the Walk Safe Campaign, introducing an app which can be downloaded from the Apple App Store or Google Play Store.

This app aims to keep you safe when out and about, with key features including safety-checked venues map, safety route planner allowing you to share your route with family/friends and an SOS alert button instantly notifying trusted contacts if you feel unsafe.

Upcoming Police Surgery Dates (March 2026)

We continue to put on police surgeries to answer any questions you may have regarding any issues and concerns in your local area.
