

PCSO Monthly Ward Update

This is your March ward update for Hove Park and Westdene, by PCSO Munro-Stevenson.

My name is Elliot; I have had Hove Park and Westdene as my ward for a while now. I have seen many people out and about on the ward. I also cover Faith and Engagement within Brighton and Hove as well.

If you see me or my colleagues out and about, feel free to come and say HI!

CURRENT WARD PRIORITIES – Drug dealing, Youth disorder and speeding/traffic issues with Withdean.

Drug dealing – with the better weather coming I believe this will pick up again however proactive patrols continue around Hove Park, Dyke Road Park and Westdene area.

Youth disorder – In terms of on the ward, there has been no youth disorder reported however Brighton and Hove, mainly the city centre issues continue. I also think the weather has played its part of the ward as well.

Speeding/ traffic issues – Tongdean lane has been added to the cities winter if action so regular patrols will be carried out along side my usual patrols around the area.

Ward Patrols

- Hove Park, Hove rec and Dyke Road Park have been patrolled with little seen however like previously mentioned the weather does play a massive part to green spaces on the ward.
- Waterhall has been patrolled a few times due to issues highlighted by concerned dog walkers.
- Patrols of three-cornered copse resume.

Community Meetings

Ward surgeries coming up – If you have any issues please come and speak with me around issues you are having on the ward, See you there!
