# Take a few simple steps to avoid becoming a victim of burglary

Set a timer switch to turn your lights on when it gets dark – unlit houses are a give away that no one is at home.

Lock your doors, patios and downstairs windows - even when you are in. Make sure you double check them again before you go to bed.

If you have a burglar alarm, make sure you set it when you go out and also when you go to bed.

Don't leave car keys, ID cards or valuables near windows, doors or letterboxes, where burglars can reach through to steal them.

Lock your garden gates and side entrances. Don't leave tools lying around in the garden which could be used to break in to your home.

**If you have information about a burglary phone the police on 101.**
