EAST NORTHANTS UPDATES

ASB motorcycle nuisance

This summer, PC Hurst and PCSO Burrows have been tackling anti-social motorcycle nuisance in Irthlingborough. The team have received concerns from businesses and residents, whose lives had been blighted by motorcycles being ridden recklessly and dangerously in public spaces, as well as on the roads. As a result of this work, an individual involved in the ongoing motorcycle nuisance has been issued an anti-social behaviour warning letter. Through this incremental approach, it is hoped that the individual will cease their behaviour, but if they do not, then enforcement will be escalated. In the past month, the team has issued two other anti-social behaviour warning letters and issued notices to riders about their manner of driving under Section 59 of the Police Reform Act 2002. Community intelligence has been key to the success of the on-going campaign, and the team is appealing to people to continue to provide information, including sightings, dash-cam, doorbell and mobile phone footage to help identify offenders.

Tackling drug dealing and misuse

You can help us tackle drug crime and the associated anti-social behaviour that goes with it. The public are our eyes and ears, and no one knows better than the residents what is going on in a neighbourhood or community. If you suspect someone is dealing drugs or involved in drug crime, you can call us on 101 or report online [here](#). Always dial 999 if you or your property is at risk or a crime is in progress. You can also pass on information anonymously to the independent charity [Crimestoppers](#) on 0800 555 111.

Vehicle removal

Following a report from a vigilant member of the public, an untaxed notified SORN (statutory off road notification to DVLA) vehicle has now been removed from our streets. Untaxed vehicles/ SORN aren't just a legal issue — they can pose real dangers to our community. Thanks to quick reporting and partnership between the community and enforcement teams, this vehicle was dealt with efficiently — keeping our streets safer and more welcoming for everyone.

GENERAL UPDATES

Have a question?

Northamptonshire residents are being invited to put their questions on crime and policing to Police, Fire and Crime Commissioner Danielle Stone and Chief Constable Ivan Balhatchet at an online public meeting next month. The event will take place between 6.30pm and 8pm on Tuesday, October 21, and will be live streamed on both the Commissioner's and the Northamptonshire Police Facebook pages www.facebook.com/NorthantsOPFCC www.facebook.com/northantspolice.

For those that don't have a Facebook account, the event will also be live streamed on Northamptonshire Police's YouTube, where you do not require an account to view. The link to the YouTube page will be shared closer to the event date. Questions about any policing or community safety issue are welcomed – potentially covering subjects such as neighbourhood policing, violence against women and girls, retail crime and town centre safety, road safety or funding. Questions can be sent now on email - chiefschat@northants.police.uk.

Names won't be read out during the broadcast or shared online. Questions can also be sent anonymously using an email link that will go live 14 days before the broadcast. And questions can also be asked live during the broadcast through the Facebook chat. Danielle and Ivan will answer as many questions as they can in the time available.

Op Snap

This scheme allows the public to submit dashcam evidence online regarding road offences within 14 days of the offence. The team **can only accept video footage**. They will then prosecute the driver with a notice of intended prosecution.

In August 2025, there were 298 submissions to Op Snap. You can submit your footage here [Northamptonshire Police Operation Snap](#).

Anyone who submits footage via Operation Snap can find out the outcome of their submission by following the link on their confirmation email which will take them to a monthly update.
