Your Concern: Anti-social behaviour is a major concern for many residents on the beat.

Our Response: We are committed to identifying those responsible and addressing their behaviour through the Anti-Social Behaviour (ASB) incremental approach. This ensures proportionate and consistent action is taken, with the aim of reducing harm and improving community safety.

Your Concern: Speeding and road safety across the beat have been highlighted as key concerns by members of the community.

#WeDid - What we are doing

Community Engagement

Traffic Enforcement Speed-calming measures have been implemented across the beat to tackle traffic offences and improve road safety.

Crime Prevention and Patrols High-visibility patrols have been conducted in response to recent incidents, alongside house-to-house visits to reassure residents. Officers have also addressed traffic offence hotspots and seized vehicles linked to investigations.

The Beat Team recently assisted with the recovery of a stolen motorhome in the Leicester area. The vehicle had been taken from a **Leicester industrial estate**, and thanks to collaborative efforts, it was successfully recovered. The investigation into this incident remains ongoing.
