

Safer Neighbourhood News

Welcome to this month's newsletter.

We are now approaching the start of British Summertime with the onset of the clocks going forward at the end of March.

The days are already becoming milder and more pleasant, however this is crucially the time where it is vital that complacency doesn't set in.

If you have a UPVC door please make sure that you lift the door handle and lock your door with a key or if you have a Yale style lock and mortice lock please remember to lock the mortice lock every time you leave your house.

MET ENGAGE

Community crime-fighting

We're transforming the Met to become a service that truly delivers for London's communities, and we need your help.

Through our new platform Met Engage we want the public to get to know their local officers, help shape how we police their local area and have direct access to key information and advice.

This isn't just a platform for us to tell communities what we're doing in their area, it's an opportunity for them to tell us what's concerning them the most so we can take action on the things that truly matter to them.

Our service will be tailored to our communities.

Make sure you have signed up, and understand how it can help you.
