

Welcome to your monthly ward update for Round Hill, brought to you by PCSO Powell, one of the two PCSOs that covers your area.

In the last few weeks, we have spent some time on high-visibility foot patrols in and around the area of Round Hill. More specifically Lewes Road, Ditchling Road and around London Road train station. We have also been patrolling around business and speaking to them around any concerns that they have. We specifically link in with staff and manager around businesses and supported accommodation. We have been present on upper Lewes Road and patrolling the area due a fire that happened in April.

We have had a few further reports of anti-social behaviour from groups of youths and continue our efforts to tackle it. Especially with the warmer weather arriving, we will deal with any new or persistent ASB that might come with it.

There are currently no community meetings that we are planning to attend but are more than happy to attend any that we get invited to. Please get in touch with either me or PCSO Powell and we can get something arranged.

If there are any concerns or issues you wish to raise, please do so online or via 101. You can quote either PCSO Kartanos 41187 or PCSO Powell 43281.
