Ward Successes

Tyson Place

Following a joint action plan with the Council Housing Authority, one problematic flat has been successfully closed, and an illegally residing individual has been removed from another. A known squat/drugs den in a storage locker has also been cleared.

 A significant reduction in reports from the area.

Cranbrook Block

Issues at this location have now been resolved.

 Problem profile closed.

Turner Park

Thanks to valuable community intelligence, the key suspects involved in drug dealing were identified, arrested, and remanded. Custodial sentences are expected.

 A sharp drop in calls and complaints from the area.
