We will continue to do this going forward. ## School car parking initiative

Throughout June the Oadby Neighbourhood Policing Team organised a car parking operation in response to the ongoing parking problems across the various schools. PCSO Harks who led the initiative partnered up with local Civil Law Enforcement Officers from Harborough District Council. The Civil Law Enforcement Officers issued Parking Charge Notices to drivers of vehicles parking on yellow lines and yellow zig zags. Whilst the Oadby Neighbourhood officers dealt with vehicle obstructions. The initiative was supported by parents who highlighted specific issues surrounding their local schools. In addition to enforcement, educating drivers was also important so they could understand the impact of parking illegally. Initiatives such as these, will be carried out again in the near future, we thank parents and the wider community for their continued support.

## D-Day Event

On Thursday 6<sup>th</sup> June 2024 PCSO Nad joined the community in lighting a beacon to mark the 80<sup>th</sup> anniversary of World War II's D-Day landings. The council-organised event at Brocks Hill Country Park in Oadby saw performances from Wigston Band and Wigston Community Choir in the park's outdoor amphitheatre before the beacon was lit. The D-Day landings on 6<sup>th</sup> June 1944 saw Allied Forces invade the beaches of northern France in the largest seaborne invasion in history, beginning the liberation of western Europe and leading towards victory on the Western Front. It was very important to mark this occasion with the community and remember those who sacrificed their lives and fought for peace. The light from the beacon signifies the 'light of peace' which emerged from the darkness of war.
