LEICESTER RATHAYATRA 2026

Leicester Rathayatra 2026 brought devotion, music and celebration to the heart of our city.

The vibrant festival began in Leicester city centre, with a colourful procession making its way along Leicester's Golden Mile before arriving at Cossington Park.

Thousands of visitors enjoyed an afternoon of family-friendly activities, including live cultural performances, mantra meditation and children's entertainment.

It was a pleasure for the Belgrave Neighbourhood Policing Team to be on the ground, engaging with the community and helping to keep everyone safe throughout the event.

We're proud to share that the festival concluded with no reported incidents, reflecting the positive spirit of the day and the strong partnership between organisers, volunteers and attendees.

Thank you to everyone who helped make this year's celebration such a success.
