

## **Sussex Alerts Update – Saltdean, Rottingdean & Ovingdean**

*From your local PCSO*

*Hello everyone!*

*Welcome to May's ward update for Saltdean, Rottingdean & Ovingdean! We've seen some record-breaking temperatures, and it's been welcomed!*

### **Anti-social behaviour**

We are aware of a group of youths causing issues within the area. This can make residents feel uneasy. Please be aware that additional patrols will be carried out in the area to help deter any anti-social behaviour. Please do not be alarmed if you see a heightened police presence in the area.

### **Video doorbells**

We highly recommend having a Camera doorbell installed on your property. These can help keep your property safe, will always allow you to see who is at your front door, and can help minimise the chances of your property being targeted.

Having a video doorbell can help us with enquires and investigations into incidents too. Camera doorbells can capture the front of your property, having a camera can help deter anyone approaching your property.

If you are in a rented property, please remember to get permission from your building management or landlord prior to installing.

### **Scam awareness**

This month I had the pleasure of attending both Rottingdean and Saltdean seniors' tea club and delivered a talk on scam awareness. We are aware that the area is targeted heavily when it comes to scams. We want to spread awareness to help minimise the chances of people becoming victim to scams. Please be aware we are not here to scare anyone, we want to make everyone aware of the signs and to not feel afraid to say no and stop the conversation. If anyone would like any guidance or support, please do not be afraid to call in and ask for help!

We have been made aware of the below scam! Please be aware that this email is a scam. Please do not click on the links or reply to the email. When it comes to fines, these will either be delivered by post, or by a Police officer.

Dear,

## You have received a penalty notice

You have received a penalty notice for **excessive speed**. You must pay this fine or respond within **28 days**.

**A penalty notice has been issued to you for a speeding offence.**

This notice was generated because your vehicle was recorded exceeding the speed limit.

Using this service, you can:

- View the details of your penalty notice
- Pay your fixed penalty fine online
- Request a hearing if you wish to contest the offence

To proceed with the payment of your speeding fine, click the button below.

## Top 3 Ward Priorities

For the meantime, my main priorities for the area are -

- Targeted patrols around residential areas – Although we have not had any reported burglaries recently, following recent events with the influx of burglaries, I have been targeting patrols around residential areas to help deter and prevent any suspicious activity. I will continue to monitor ongoing within the area. If you see or hear something that doesn't look right, please do phone this in via 999 or 101 depending on the situation. We are always here to help where we can –

please remember without reports, it's hard to know what is always going on without reports. Please be reassured, we are here to help!

- Youth ASB – where demand allows, patrols have been and will continue to be carried out along the seafront in attempts to reduce the number of ASB incidents. Anti-social behaviours – with the warmer weather on the horizon, I think we can all agree it's much nicer to get outside and enjoy the lighter and drier weather! With this, can pair higher rates of anti-social behaviour! It's nice to enjoy the better weather, but with this, can come those individuals who may take it a little too far, whether this be consumption of alcohol, driving or general behaviours. We are here to keep everyone safe! Additional patrols will be carried out in hotspot areas. If you see something that doesn't look right, please phone this into us and we will help where we can.
- Residential ASB – we have recently seen a rise in anti-social behaviours reported within the ward. Meetings with partner agencies are being held to deter any future behaviours linked as a result to these residential anti-social behaviours. In addition to this, areas where reports are higher have received letter drops regarding the ongoing issues. These are being monitored by Sussex Police and action will be taken where deemed necessary.

### **Crime Statistics over the past month (Correct at time of typing)**

- Anti-social behaviour reports – 9
- Burglary reports – 0
- Criminal damage reports – 2

### **Meet your ward PCSO**
