DOORSTEP CRIME

KNOW THE SCAM

STOP

before you open the door and think about who it could be...

CHECK

who is at the door, using a window, spy hole or chain if you have one but don't let them in...

ASK

who they are, why they are there and what they want...

MAKE THE CALL

use your Nominated Neighbour Card or contact a family member or friend...

Doorstep crime is when someone comes to your door with the aim of scamming you out of your money or tries to get access to your home to steal items from inside.
