What we've been doing this month

With children back at school our SNT team are carrying out regular school patrols; combined with our regular patrols of the Flaxyard development, Sumner Road Park and pivoting off the Willowbrook estate and surrounding areas.

During one of these patrols, PCSO Smyth spotted on going activity in tfrom a male that had been brought to Peckham SNT's attention previously. With this knoweledge, he issued a CPW to warn off this behaviour and halt escalation.

To supplement the above we have been regularly patrolling with Southwark Park Liaison Officers as they are now able to give out CPW and CPNs.

Nutt Street SE15 had an address taken over by numerous individuals linked to drug dealing/drug use and related criminality. It was closed down by police with 2 arrests and number of people evicted who did not reside at address; this was achieved by working in conjunction with our partners at Peabody Housing.

Our Town Centre Team continue to patrol Peckham Square and surrounding areas; and have made a substantial number of stop and searches and arrests.

Since the last ward panel meeting we have increased our presence at Blossom Court and the surrounding area checking in with residents and staff in the building to gather information on related crime and ASB.

In other news, two prolific shoplifters who commit offenses across AS and known to regularly frequent the ward have been jailed.

Finally we welcome PCSOs George De Souza, Marcello Stingo and Adrien Dominguez Oviedo who will be attached to our teams and under the supervision of PCSOs Baxter and Broughton-Rates until they head off to Lambeth AS.
