**KEEP BURGLARS OUT IN THE DARK
REMEMBER ALARM, LOCKS, LIGHTS**

IT'S EASY TO MAKE IT HARD FOR BURGLARS

- Put your burglar alarm on at night-time and when you go out
- Lock all windows and doors
- Use a timer to switch lights on to give the impression someone is at home
- Don't leave valuables on show
- Make valuable items traceable. Photograph your property and register it free of charge at www.immobilise.com
- Keep an eye out in your neighbourhood, and report anything suspicious to police
