***Welcome to the North Walworth Safer
Neighbourhood Team Newsletter***

As we return to a monthly newsletter format, we'd like to share some of the positive activity taken place across the ward over the last three months.

Over the reporting period, there were **286 stop and searches**, **287 arrests**, and **4 Community Protection Warnings / Community Protection Notices** recorded on the ward. These outcomes reflect activity by officers from across the Metropolitan Police Service working within North Walworth, alongside local neighbourhood policing efforts.

Across Southwark Neighbourhoods, last week saw 81 positive outcomes, the highest number recorded since these figures began being monitored in 2023. During the same period, the number of live open **crimes reduced from 850 to 563, the lowest figure recorded to date.**

The neighbourhood team continues to work proactively to tackle repeat offending and is currently progressing **4 Criminal Behaviour Orders** against prolific shoplifters operating within the borough.

Thank you for your continued support as we work with partners and the community to keep North Walworth a safe place to live, work and visit.
