Good News Stories

This quarter, your ward officers have patrolled the ward and dealt with incidents of crime and anti-social behaviour in the neighbourhood.

In July, officers from Kidbrooke Park SNT and Kidbrooke Village & Sutcliffe SNT were on foot patrol on the ward and were approached by a victim reporting that a male was exposing himself in a public place. Officers attended the location and by carrying out an area search and engaging with further members of the public, were able to locate this male in park over a quarter of a mile away where he was subsequently arrested.

SNT Kidbrooke Village & Sutcliffe reassured the local community at the Kidbrooke Carnival with Pride, supporting this great community event at Pegler Square. SNT Officers in collaboration with the MET LGBT+ Community Liaison Officer provided advice and information from our stand at the event.

Furthermore, in July, officers identified a vehicle fly tipping on the ward through CCTV, investigative work and a range of resources. Following this, whilst carrying out enquires, 2 vehicles were seized and 2 linked suspects were arrested and remanded in custody. A third suspect who was identified by officer investigation will be issued an adult caution.

Two traffic operations in the area resulted in 30 vehicles stopped with some involved in suspicious activity. This was targeted at Kidbrooke Park Road and adjacent roads.

SNT officers attended Wingfield Primary School and presented a well-received workshop as a way of early intervention for Year 6 pupils, who are most susceptible to peer pressure and criminal exploitation by gangs. We briefed the pupils on the dangers of knife crime, drugs, ASB awareness and general safety.

In July, officers carried out 3 arrests, for Breach of Court Order, Immigration Offences, and Breach of Tag.

Operation Summer Surge, targeted crime fighting all over the ward, tackling: ASB, Drugs, Vehicle and Pedal Cycle Theft on designated hit days. Officers from all over Greenwich worked together on proactive patrols, targeting locations, crime types and/or people causing issues on the wards. We conducted joint ASB patrols with Greenwich Community Safety Enforcement Officer Brendon Gilhooley, an initiative to encourage visibility and share intelligence on the issues that affect the community and how to best achieve multiagency cooperation.

In August, officers carried out 6 Stop and Searches under Section 23 Misuse of Drugs Act 1971 for suspected drug offences, and under Section 1 PACE 1984 for suspected parcel theft.
