What matters to you

From data collated from local surveys, beat knowledge, intelligence and reports made to Leicestershire Police, the following have been highlighted as priorities within the community.

Priority 1: Tackling drug supply and cultivation.

You said: Drug use and supply is still ongoing in the community.

We did: A cannabis grow was located at a property on Saffron Lane after a search of the location was authorised when an individual was arrested for being in possession of drugs with the intent to supply, a great find by the arresting officers.

Priority 2: Tackling anti-social behaviour (ASB).

You said: ASB is still ongoing in the community in opens spaces and across the beat, with Halloween & Bonfire night approaching you would like to see more visible patrols.

We did: Patrols have been conducted across the beat, a total of five ASB reports have been opened to deter and prevent repeat issues with one verbal warning being recently issued. With Halloween & Bonfire night on the horizon local schools have been visited to discuss best practices during the celebrations and our HALLOWEEN NO THANKS poster has been shared on our social channels.

Priority 3: Tackling rogue traders.

You said: Rogue trading increases during the winter months.

We did: Door to door visits in areas/specific locations that have been targeted in the past will be conducted, residents will be given advice on how to spot rogue traders and what to do to deter themselves from being victims.

Other Local News

A patch walk was recently conducted with ward CLLR Elly Cutkelvin alongside PS Crowson and PC Oliver, the aim of this was to discuss local policing concerns, share collaborative ideas on how to better the community and to identify and deal with problem areas. Tick Tock Park was the meeting destination with other areas visited, these are conducted very 6 months.

A community clean-up was recently conducted in Heathcott Road and Neston Gardens, working together the local council, housing officers and the environmental team, cleared roads, drains and other areas as well as discussing ways to the improve these areas. Residents were offered the chance to dispose of any waste items for free, these were collected and disposed of at their doorstep, a collaborative and multi-agency approach to making these areas cleaner and tidier

Crime Prevention
