30/07/2025 - UPPINGHAM ROAD METHODIST CHURCH (Outside) - 1700 to 1800 hours

These events give you a great opportunity to meet your local beat team and discuss any concerns you have for the area. Our school patrols also focus on dangerous parking around school pick up times as well as tackling any potential anti-social behaviour around school times. We look forward to seeing you!

- Road Safety - issues with speeding and dangerous driving, especially in and around the area of Gipsy Lane and Victoria Road East.
- Drug dealing/drug taking at hotspots across the beat
- General Antisocial Behaviour (ASB), mainly around Oak Street, Cravens Recreational Ground, Overton Road, Morton Walk and Forest Road area.

YOU SAID, WE DID !

After street consultation we were made aware of constant issues with in the parks of North fields, Issue's with drinkers in the park and also littering with other elements of ASB. We listened and had all local authorities out inspecting these areas and managed to calm situations and reduce the drinkers from entering these parks

Having constant patrols we have been approached by many members of the public to state that it is much nicer to come into he park and glad to see high visible patrols.

Operation Wasp is East Leicester Policing Teams' operation to tackle ASB in our green spaces and park areas

OP WASP 2025

**Report antisocial behaviour online at
www.leics.police.uk/reportonline**

Over the summer we are focusing on high visibility engagement and patrols in and around parks and public spaces.

Operation Wasp has been put in place to prevent crime and disrupt anti-social behaviour. Some of the key areas the team have been focusing on are as below:

Rushey Fields Recreational Grounds
Appleton Park

Jesse Jackson Park

Trevino Drive Play Park

You Said: Road Safety - results from "my views" survey conducted by the local team, via Neighbourhood Link, indicate that this is a priority concern on the area.
We Did: Proactive traffic operations have been conducted in the area in the interest of road safety.

Beat officers have been providing patrols at local schools at key times to improve the safety of pupils, parents and road users.

BURGLARY PREVENTION TIPS

As the summer months now approach us, we are likely to see an increase in burglaries amongst other crimes in our area. This is due to members of the public going on holidays abroad or out of the city along with keeping their windows and doors open for ventilation. Please consider the below tips to help prevent you becoming a victim:

1. Always lock doors and windows, even when you are at home. Consider installing solid core or metal doors and reinforced frames.
2. Install motion activated lights around the entrance, driveways and backyards.
3. Keep bushes trimmed to maintain clear sightlines.
4. Set timers for indoor lights when you're away to simulate occupancy.
5. Install a security system with alarms, cameras and monitoring.
6. Display security signs around the home.
7. Do not hide spare keys under mats or flower pots, consider a lockbox instead.
8. Consider joining a neighbourhood watch group.
9. Notify trusted neighbours and let them know you will be away and ask them to keep an eye out.
10. Report suspicious activity and unusual behaviour in the area.
11. Do not post travel plans online.
12. Leave a car in the driveway.
13. Secure cash, jewellery and documents in a heavy or bolted down safe or consider storing these with an external safety deposit company.
14. Engrave Valuables.
15. Keep an inventory of your items.

Antisocial behaviour

Local patrols have been carried out in order to tackle the ASB as a result of alcohol misuse in public spaces. Officers have been out on high visibility patrols around Craven Rec Ground and other key location, including Oak Street regarding vehicle ASB.

Great Conversations with the youths in the community on what effects ASB has on them and also the community around them.

Protecting our Children

School road safety has been a big priority from dangerous parking which has been voiced by the public, PCSO Raja has been out insuring the safety of your children when leaving school by clearing the parking out side the school and listening to what the public have raised.

Fun Day at Falcon Primary School

Amazing fun day at Falcon Primary School, we engage engaging with the public and it was great to see the children smile and have fun.

The children had a chance to sit in the police cars, ask many questions and try on the police hats.

The fire Engine was also a great success, where the children had a chance to see the equipment and also sit in the fire engine.
