

Safer Neighbourhood News

Welcome to the September edition of our local newsletter!

As we transition into autumn and the evenings begin to draw in, it is the perfect time to review our home security habits. Please ensure all windows and doors are locked when you leave the house or head to bed, and consider using timer switches for your lights to give the impression that someone is home while you are out. Stay vigilant, look out for your neighbours and let's work together to keep us all safe throughout the month!
