Re: S35 ASB Dispersal Authorisation

Friday, 17th October 2025

Dear Community Members,

In our continued effort to maintain your safety and security, this evening, a Dispersal Power has been authorised for the Chelsea Riverside & Stanley Wards.

I know that of late some of you have become increasingly concerned about a recent trend in anti-social behaviour. The authorisation of this power is part of our on-going commitment to ensure we use decisive powers, invoked at the necessary times, to keep you safe. You can expect to see an increased police presence in the area but please do not be alarmed. This power has been authorised pre-emptively, equipping your Officers with the required powers at a moment's notice.

From 1800hrs this evening, 17th October 2025, for a period of 48 hours, your officers will have the power to disperse those individuals who wish to cause, or are likely to cause, harassment, alarm, or distress or crime and disorder from your area.

This power is authorised under S34 Anti-Social Behaviour, Crime and Policing Act 2014, and invoked by Inspector Baker-Doyle.

Please report any and all incidents to us, via 101 (non-emergency), or 999 (emergency happening now) quoting **CAD 7634/17OCT2025**.

Alternatively, you can call us via the **Chelsea Police Enquiry Line**, or via email. If we do not know, we cannot act. The Line operates on **Monday, Wednesday & Friday** from **11am to 1pm** on **0207 004 5552**

Additional contact methods you can reach us on are:

Chelsea Policing Team: Chelsea.SNT@met.police.uk

Chelsea Police Mobile: +44 0791 793 9888

In an emergency (incident happening now) you must always call 999. For non-emergency reporting matters you may call 101 or visit www.met.police.uk and click on 'Reporting'. Please do get in touch.

Yours Sincerely,
