Oadby Newsletter #yousaidwedid

Issue: August 2025

Your Team:

PCSO 6164 Harks Sanghera
PCSO 6518 Nad Ikram
PC 4555 Ryan Holden

What matters to you:

Priority 1: You told us that you were concerned about burglaries within the Oadby area.

What we are going to do: Officers continue to conduct regular patrols of the areas where offences have occurred, these patrols are reducing the number of burglaries. We will continue to do this going forward. Where CCTV is available, this will provide valuable intelligence on times and when offences are happening and possible vehicles involved, to assist in our patrol strategy.

Priority 2: Road Safety You said: You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

What we are going to do: We continue to conduct vehicle speed checks at identified locations. Local officers have been targeting motorist's speeding, not wearing seatbelts, using mobile phones and drink/drug driving. Local officers have received reports of certain vehicles being driven without valid insurance, MOT and tax. In specific cases vehicles have been seized, which sends a clear message on the consequences of these offences.

Priority 3: Anti-social Behaviour You Said: You have told us that Anti-Social behaviour causes you concern. This can be things like excessive noise, smoking drugs and more. We will be working with partners to ensure we can tackle these issues and reduce their occurrences.

What we are going to do: Your local police beat team and response officers continue to patrol identified locations, as reported by yourselves with regards to anti-social behaviour and drug related incidents. Officers continue to stop check persons and vehicles who are involved in drugs. Local officers have identified vehicles which are related to criminality.

What we have done #yousaidwedid

New CCTV Cameras at Oadby and Wigston Cemeteries

At the start of August Oadby Neighbourhood Team Sergeant Mark Body and PCSO Nad attended Oadby and Wigston cemeteries alongside Mark Smith from Oadby & Wigston Borough Council, Councillor Bill Boulter and Councillor Kevin Lloydall. We had the opportunity to observe the installation of new cameras at both sites, funded through recent investment. The cameras will also enhance security within our community, providing reassurance to residents.

Oadby Motor Fest Event

On Sunday 10th Aug 2025, PCSO Nad along with PC Ryan attended the Oadby Motor Fest, which was a fantastic opportunity to meet and engage with the wider community. The event was very busy, with many of the community attending with their families and friends. As always, a big thank you to Sam and her team at Epic Accessories for their support and organising the event. We look forward to being part of this excellent event again next year.

VJ Day Event

PCSO Nad had the privilege of being invited to join the community on Wednesday 13th August 2025 at the Over 50s Group based at Oadby Youth Club to commemorate VJ Day. It was a momentous occasion that offered us a opportunity to pause, reflect, and pay tribute to all those who made the ultimate sacrifice. The ceremony brought the community together and for some shared memories. Also among the attendees was the highly respected Deputy Lieutenant, Richard Clowes. Thank you to the Tracey and Nicola from the Over 50s Group for inviting me and organising this event.

Joint Partnership Working

During August local neighbourhood police officers and Police Community Support Officers (PCSOs) joined forces with Leicestershire County Council Trading Standards to inspect a retail business. During the operation, counterfeit cigarettes and other illegal food items were seized. People present at the site were spoken to and checked against police systems to determine any pertinent records or warrants. This kind of partnership working brings together different agencies to pool resources, enhance visibility, and coordinate efforts aimed at identifying and removing individuals and goods that cause harm within our communities.
