What Matters to You?

Evington Beat Priorities (issued 1st January 2026)

- Improve community engagement opportunities with our communities. We find attendance at local community engagements is often low giving us little opportunity to engage with the wider community.
- Regular complaints regarding inconsiderate parking in and around schools during pick up and collection times.
- Licenced premises in the area not adhering to their alcohol license conditions. Having an impact on anti-social behaviour.

#YouSaidWeDid

PC Makda and PCSO Meerun joined Leicester City Council housing officers for a patch walk around Rockingham Close, Illingworth Road, and Champion Close. The visit was an opportunity to look into several issues that have recently been brought to our attention and to work together on finding practical solutions for the local community. We'll continue to engage with residents and partners to keep improving the area and addressing concerns.

Report of individuals riding motorbikes recklessly around Humberstone Park. This behaviour puts park users, families, and the riders themselves at risk. Patrols have been conducted in the area by PC Taylor and PCSO Meerun, and we are actively working to identify those involved in reports of dangerous and reckless motorbike riding around Humberstone Park. If you witness any dangerous riding or have information that could assist us, please contact 101 or report online.

PC Darbar from the dedicated neighbourhood team teamed up with our response colleagues after a disagreement escalated near Spinney Hill Police Station. One unhappy individual decided the best way to express emotion was by giving someone else's car an unexpected "redesign" ... repeatedly. Unfortunately for them, that is still criminal damage! Officers quickly arrived, the individual was arrested, and taken into custody for further enquiries. Remember: Talk it out, Walk it off. But please don't take it out on someone's vehicle. Our teams remain committed to responding promptly to incidents, supporting victims, and keeping Leicester's neighbourhoods safe.
