#YouSaid - What matters to you

Coalville Beat Priorities: July—September 2026

Grieve Close. You Said : You have concerns regarding drug use and youth related ASB concerning bike use and damage in disused premises on and around Grieve Close.

We will: We will conduct multi agency visits to the area to speak to residents regarding the issues and actions we can take to tackle the issues.

We will work with local authorities and land and building owners to ensure we are maintaining the safety of residents and will take robust action against those causing harm.

Retail Crime – Belvoir Shopping centre and Whitwick Retail Park.

You Said: That local businesses are being subject to theft which includes repeat offenders targeting certain stores.

We Will: Complete targeted operations in the area, working with colleagues in CCTV to identify repeat offenders.

We will work with our local enforcement teams and our Safer Streets officers to identify those committing offences and seek convictions and long term orders to enable officers to take robust action.

Drug Dealing and associated ASB on Adam Morris Way

You Said: You have concerns regarding drug use and the anti-social behaviour associated with this type of criminality.

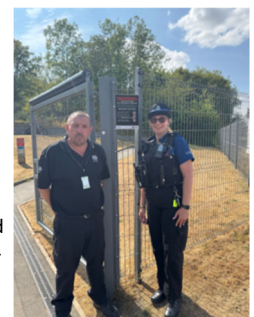

We will: Work with partners to complete multi agency visits in the location to seek your concerns and views. We will work with local targeting teams to develop intelligence and work to bring those causing harm to justice. We will also look to work with our legal teams to develop long term resolutions.

#WeDid - What we are doing

Community Safety Update – Snibston Discovery Park

Visits to Snibston Discovery Park to work alongside park staff to address ongoing concerns regarding the illegal use of off-road motorbikes and other unauthorised vehicles within the park. The use of these vehicles on park footpaths and public areas poses a significant risk to pedestrians, families, and other park users. This behaviour not only causes nuisance and damage but also creates a dangerous environment for members of the community.

Warning signs have now been installed throughout the park, making it clear that off-road motorbikes and other unauthorised vehicles are not permitted. Regular patrols will be carried out in the area, and anyone found riding vehicles in an antisocial or illegal manner may have their vehicle seized.

#WeDid - What we are doing

PC Katie spotted a known shoplifter who was wanted for a number of shop thefts in Coalville Town Centre. There was one small problem... he was on a bike and she was on foot!

Thankfully, with assistance from response colleagues and the Neighbourhood priority team, we were able to keep up with him and bring things to a swift conclusion. The wanted male's getaway attempt came to an abrupt end when he cycled straight into a step and fell off his bike, allowing officers to stop him in his tracks.

- Wanted offender located, Arrest made, Another positive result for local businesses

Criminal Damage in Town Centre

In the early hours of Wednesday morning, a group of youths caused criminal damage in the town centre, including throwing traffic cones and pushing over a number of planters.

This behaviour is extremely disappointing. The planters were put in place by the council to help improve the appearance of the area and create a more welcoming environment for residents, businesses, and visitors alike. It is saddening to see community assets damaged in this manner.

Enquiries are ongoing, and I will continue to investigate this incident. Those responsible will be identified and dealt with accordingly.

Anti Social Behaviour at Whitwick Retail Park

Unfortunately we have been receiving reports of anti social behaviour involving vehicles at Belvoir shopping centre & Whitwick Retail Park, Coalville. These reports are of vehicles racing, driving dangerously and manoeuvring in a way which are considered anti social.

The local beat team will be patrolling and engaging with those that meet at the location, section 59's seizures will be conducted when necessary.
