## Other Local News

This time of year with the earlier darker nights, historically we see an increase in residential Burglaries. Despite the increase, since 2019, we have seen an overall reduction in this type of crime year on year. We will continue to conduct high visibility patrols and maintain a strong policing presence in the community and continue the trend.

- **Keep doors and windows locked**, even when you're at home.
- **Install motion-sensor lighting** around entrances and driveways.
- **Trim hedges and bushes** to eliminate hiding spots for intruders.
- **Secure sheds and garages**—burglars often target tools and bikes stored there
